No dangerous or venomous animals will be allowed. **Professional displays of snakes and crocodiles will be exhibiting on the day.** No request will be considered by QPWS later than the above registration deadline. These guide lines are based from the rules and regulations from QPWS. The organisers will be adhering to all Queensland Parks & Wildlife rules and regulations in the bringing of and showing under a recreational licence, this will be made clear to the entrant when he/she applies and will be enforced on the day. **The winners of each category of the competition will receive a certificate, a trophy and each entrant will receive a reptile show bag of goodies.**
